LATEST BAPTIST UNION GUIDELINES

As you probably know by now, the Government has moved to its Covid19 – Plan B. In this guidance the Government, has advised churches that face coverings much be worn in places of worship from 10th December, for those not exempt. Although the government also say that "there is a reasonable excuse exemption which allows people to remove a face covering while singing", we disagree with this exemption and **would ask you to wear masks throughout the service.**

Unfortunately, over the Christmas period, Emily and Nicky have tested positive for Coronavirus as well as Simon's mother Diane. As a precaution the whole family have been isolating throughout the last 8 days. This does mean that Simon is unable to lead us today. Please pray that the Downing family are all restored to full health as soon as possible.

Starting off with a bang in 2022

TODAY'S SERVICE – As Simon and his family are still isolating Clive will be leading today's service. His sermon will be based on Psalm 92 where he will be emphasising that, even though we are starting the new year in uncertain circumstances, we can always trust God because He is good all the time.

Not only does it help to decorate the Church for Sundays, but they are distributed every Monday to the housebound, those not well and anyone in need of a bit of cheer. Please contact me and I will add your name to the calendar. Many thanks in anticipation!

PRAYER DIRECTORY UPDATE - I am intending to publish a new Prayer Directory in January 2022 – as a number of details have changed over the past year or so. Normally I would produce a draft with your contact details included (that I believe to be correct) and ask you to show any changes. That is difficult at present as COVID has interfered with church attendance and not all members/attenders are on email. Therefore, I would ask the following:

Have a look at your current directory (if you have one) and advise:

- Do you not wish to be included in the future directory?
- Do you wish to be (but have not previously been) included in the directory and have you filled in a data protection form?
- Are there any changes in your personal contact details?
- If you have not had a photo included before and want one can you please supply a photo or ask me to take one of you.

If none of the above apply I will assume that the entry will be as before.

Finally in view of the less-than-ideal way this updated directory will be produced it is anticipated there will still be errors in it and I would just hope that you will understand the reasons for that and make manual adjustments to your copies when you become aware. Please advise me by e-mail or note by Wednesday at the latest. Clive
