Thank you all for your prayer support it is truly felt and appreciated. Glad”.

**TODAY'S WORSHIP SERVICE** – This morning Clive's band will be leading worship at our monthly family service. Simon will be weaving his talks throughout the service under the general heading of 'Thirsting and Longing' based on Psalm 42:1-2 where we read, 'As the deer pants for streams of water, so my soul pants for you, my God. My soul thirsts for God, for the living God.' I wonder if that is how you are feeling this morning. Are you thirsting for God? If not, why not?

Of course, we do hope you can join us for the service in the church but if you can't actually join us, you will be able to access the service at any time by going to: <http://www.aldwickbaptist.co.uk/category/current-sermons>.

**TODAY'S FLOWERS** – The flowers this weekend have been donated by me in memory of Marjorie Hanchard, my mum. David Hanchard.

**HOME MISSION** – Paul Kerley tell us that from now on, every month we will receive a Home Mission Focus from him. This will usually be in the form of a short video from one of our Home Mission supported churches.

This month the SEBA Focus is on Life Community Baptist Church, and it's a video from its minister, Reverend Pete Dibdin.

The link for the video is at [https://www.seba-baptist.org.uk/?show\\_media=308842&show\\_file=340375](https://www.seba-baptist.org.uk/?show_media=308842&show_file=340375) .... on the SEBA Web Site.

**CRAFT GROUP** - The Craft group will be having a break throughout August. Our final meeting will be on Monday 31<sup>st</sup> July and we will return on Monday 4<sup>th</sup> September. Tricia.

**DID YOU KNOW** – that there are plans to turn the old toilets in Marine Gardens into a high-quality destination that evokes the style of Edwardian Britain, but may also include a modern-day creative interpretation. Now that sounds like a really good idea! So, if you are a budding entrepreneur, then this may be the opportunity you are looking forward! For further details [click here](#).

Instead of a poem this week, Arthur brings us a short story that might challenge the non-believers in the world to think again. It is also a good story to share with your non-Christian friends.

### The Watch

Peter inherited a marvellous watch from his rich uncle. Everywhere Peter went, everybody admired its beauty. As the Antiques Roadshow was in the area, Peter decided to take it along.

Now when the expert saw it, he was overwhelmed.

He said, "I had heard a watch like this existed, but I never thought I would see it. It is absolutely priceless."

"Who made it?" Peter asked.

"Oh no one made it", said the expert.

"This watch was once one speck of gold created in a big bang millions of years ago and it slowly evolved into this beautiful watch you see before you today."

"Well," said Peter, "I have never heard such a ridiculous story."

"It is common sense that this watch was made by a very clever craftsman."

The expert never appeared on the show again.

And yet, this is what some people believe about our beautiful world!

How great is our God!

**NEWS FROM SAT 7** - "Christian churches were everywhere, and they were working silently," says Melih Ekener, Executive Director of SAT-7 TÜRK. "Even the Christians who had barely survived, even the ones who had lost their family... They had forgotten their own pain and were just focused on helping their neighbours. This was an amazing witness." Many viewers are still reaching out to SAT-7 for prayer and to the viewer support and counselling team months later.

**NEWS FROM BARNABAS FUND** - Meanwhile Barnabas Aid continues to help refugees fleeing from unrest in Sudan into such as South Sudan and Egypt with a simple act of kindness. "Many Sudanese men, women and children have escaped from persecution, war and poverty in Sudan," said our project partner in Egypt. "This relatively small addition to the joy of their Sunday worship services was appreciated highly."

What is this small addition? A simple sandwich lunch for Sudanese believers after their Sunday worship. This is one of the reasons we support Barnabas Fund.
