Part 7 - Growing in Wisdom

James 3:14-18

Clive Bennett

TODAY'S WORSHIP SERVICE – This morning Simon's band will be leading our worship and Clive will be bringing God's word to us. Today we reach Part 7 in our series "Faith in Action" based on the Book of James. This week Clive will be preaching on James 3:14-18 and his talk is "Growing in Wisdom". Fortunately, this doesn't mean spending ages in the library surrounded by big heavy books as we can get the wisdom that God values from Him, free of charge. Understanding more about God's word and plans for His world sounds pretty important to me, so don't miss this.

Of course, we do hope you can join us for the service in the church but if you can't actually join us, you will be able to access the service at any time by going to: https://www.aldwickbaptist.co.uk/category/current-sermons

PEACE TOGETHER PUZZLERS - - We will be meeting again on 14th October where there will also be an opportunity to play games and solve puzzles. Do join us! It's good fun and there is always something very tasty to eat! Claire.

100 SKIPS A DAY - As most of you know, I enjoy working at St. Richard's Hospital but sadly, I see patients every day suffering from cancer which is truly devastating. Some are young adults with young children and toddlers of their own. It is so sad to see the heartbreak that this dreadful disease causes. I want to help to raise funds for cancer treatment research, so that one day, as the current advertising slogan says, "Together we can beat cancer". So in October, I am going to do 100 skips a day in October and I hope you can find it in your hearts to sponsor my efforts. If you are able, please show your support and help fund life-saving research by donating to my page. Every blessing, Shibali

THE BIG SLEEPOUT 2023 – Why not join us for Stonepillow's annual BIG Sleep Out at Chichester Cathedral on Saturday 14th October and help raise funds and awareness for vulnerable and homeless people in our community? Could you Be Inspired and Give up your evening and your bed to help raise funds and awareness for Stonepillow and homelessness? This is an incredible opportunity to do something different and build team spirit. Could you get together a team from your workplace, business or school? It's safe, it's fun, it's suitable for (almost) all ages. Perhaps in previous years you've thought about it – make this year the year that you do it! The most important thing - stepping outside of your comfort zone and being inspired to give.
Just click the link below to find out more about how to take part, and how to set up and grow that all important sponsorship. This year we will be offering an amazing Virgin Experience Day for the highest fundraiser!

This week's Poem

This week Arthur asks why some people just don't see the every day miracle of creation as they look around.

Even You and Me

I saw the migrating birds,
Flying across the morning sky
To a land so far away.
Oh, what a privilege that
I saw a miracle today.

When I look up in the Milky Way
The stars so many light years away.
How it takes my breath away.
Yes, I saw a miracle today.

I saw a caterpillar turn into a beautiful butterfly -
Even the unbeliever must wonder why.
Yes, what more can I say.
I saw another miracle today.

Oh, how can they take for granted
the wonders that we see?
Everything is a miracle -
Even You and Me.

DAVID HANCHARD – Have just received the date and time for his dental appointment in Chichester, It is on Wednesday 11th Oct 10.50 am. LUCIA - Jemeela's daughter Lucia is currently in Southampton General Hospital as she is now on the heart transplant list. Her heart is only functioning at 20% efficiency. This is very serious. Please pray for a miracle and for peace of mind for the family.

HEATHER GAUDOIN – Good news. Heather has had her operation and as I write this Heather is stable and sleeping peacefully. Please thank the Lord that all seems to be well at the moment and pray for Heather's ongoing recovery.

Please pray for healing and peace of mind for both Davina and Alan.
