

**And finally**

**FIRST RESPONDER** – As Simon is back with us, He will be acting as first responder for and urgent problems and prayer requests. For less urgent problems, please use our pastoral care system by contacting your pastoral group coordinator. Derek.

**OUR PASTORAL TEAM** – Please pray for our pastoral team and the good work they are doing in monitoring your health and well-being. If anyone else would like to join this team, then do let me know

**MATT WOOD** – First some good news. Matt Wood is coming home from hospital today as his pneumonia has now cleared. Do thank the Lord for this. The not so good news is that Matt has a yet unidentified virus and remains very weak and will have to spend most of his time resting in bed. Please pray that the virus can be identified and suitable treatment can be implemented.

Please pray too that Matt's immune system can be restored as it is currently very weak which leaves Matt prone to frequent infections. Pray too for Cilla as she has to manage the household, care for Tony and Matt as well as organising the children.

To make matters worse, Matt is the only member of the family who can drive which leaves the family rather isolated.

Cilla would like to thank all of you for your prayers and for the help she has already received but the family's need remains desperate.

If you can help in anyway, do contact Cilla

**MALCOLM FARRINGTON** – Malcolm is back at home but is not feeling too good. He is feeling very lethargic and the hospital are worried about his immune system not functioning correctly. He has to go back to hospital next week for further ongoing treatment. Barbara reports that Malcolm's carers are doing an excellent job and the essential modifications to the bungalow are going to plan Barbara says it is still chaos at the moment but the work is essential. Please do pray that Malcom's ongoing treatment goes well. Please pray too for Barbara's peace of mind and her own well-being as the situation is very stressful.

Today's talk is entitled, "The Unveiling – Feeding" based on John's Gospel chapter 6:25-58. This is quite a long passage, so it would be helpful if you read it beforehand. **EASTER CRAFT & HOT CROSS BUN EXTRAVAGANZA – SATURDAY 9<sup>th</sup> March, 2 – 3.30 pm.** It seems like we've only just got over Christmas and Easter is almost upon us. We are holding one of our regular quarterly celebrations in March and we thought it would be a great opportunity for families and people of all ages to make some craft in preparation for Easter (and also Mothers' Day) Get your creative juices flowing and we will provide the hot cross buns and drinks to keep your energy levels up. There will be limited spaces and, as this is an outreach event, we would ask you to invite friends and family to come with you - it will be a case of first come first served. We are looking forward to a great afternoon. Clive.

This week Arthur's poem reminds us just that no matter how many things go wrong, no matter how gloomy the outlook, there is an everlasting light, ready to guide you home.

**Light from the darkness**

How can I go on  
to face another day?  
When so many I have loved  
have passed away.

How can I go on  
When all those dreams  
of yesterday are gone?  
And in the future  
All I see is pain and misery.

But then I see the light  
That penetrates the darkest night.  
That give me hope and joy inside,  
He is my Saviour, friend and guide.

"Yes", because of the cross  
I will never be afraid again.  
He helps me overcome  
the fear and pain.

When all the trials of this world  
have faded away.  
We will spend forever  
With our Lord on that eternal day.
